Distressed Subdivision Map

1. Remove this map – or other comments are to clarify definition of distressed.

Framework Map

1. Delineate winter vs summer access. Access to keep open for winter and if are in a different spot in winter vs. summer, show on map.
2. Keep mixed ag/rural neighborhood designation
3. Note at bottom – strike the words “in context” and add “as auxiliary information” to end of sentence. Add “nor planning zones” to end of note 2.
