

## **ADDENDUM 1 – February 1, 2013**

### **CONSTRUCTION SERVICES FOR TETON CREEK RESTORATION**

#### **Update Attachment B:**

Here are the instructions for accessing FTR's FTP web site:

- 1) Start by connecting to the internet.
- 2) In the address box, type in the following address: ftp://65.163.13.161
- 3) Enter the following user name: tetonwater
- 4) Enter the following user password: N9odc\$wy

Please note that the user name and password are case sensitive.

#### **Written Response to Questions:**

*Was it intentional that both the contractor AND all their subs have to have AA licensing?*

No, each sub-contractor must have Public Works License with the class appropriate for their portion of the work.  
Example: The sub-contractors bid is \$100,000, they must have a Class C or higher license.
