RE: River Rim Amendment No. 7 / Request for Continuance / UPDATE

Dear Dave:

After looking more closely at schedules and the time available to submit responses, the applicant – GBCI Other Real Estate, LLC / 211 West Rim LLC – would like to request a continuance of the Application for Amendment No. 7 to the River Rim Division II Phase I Plat and Development Agreement until the August 2016 regular meeting of the Teton County Planning and Zoning Commission, now expected to be moved to **Tuesday, August 16th**.

This additional time, to be continued from the upcoming July 12<sup>th</sup> meeting, is necessary to negotiate a time extension for the “due diligence period” associated with a purchase and sale agreement originally executed in November of 2015. In addition, the project team will need additional time to respond to the various questions and comments raised at the May 10, 2016 public hearing and discussed in more detail on June 14, 2016.

Sean Moulton will be available to attend your upcoming July 12<sup>th</sup> Planning and Zoning Commission meeting to further explain this request as necessary. Please let us know if you have any questions in the interim.

Thank you for your consideration.

Sincerely,

Robert T. Ablondi, P.E.
