

HOW TO BECOME A LICENSED PUBLIC WORKS CONTRACTOR

- FREE Workshop – State of ID & Teton County
 - Q & A • Application Preparation

Monday, September 10th

5:30 – 7:00 pm

Teton County Courthouse – 1st Floor Meeting Room

In order to work on public projects in the State of Idaho, you must have a Public Works License. This workshop will answer your questions, assist you in completing the application and prepare you to expand your client base.

With the appropriate licensing you can work on courthouses, law enforcement centers, schools and other municipal buildings.

QUESTIONS: Teton County Engineer (354-0245) or Building Official (354-2953)

RSVP: 354-8775 or dfelchle@co.teton.id.us
