Q25 Please make comments or suggestions on the 2013 fair schedule or events.

Answered: 18 Skipped: 36

#	Responses	Date
1	Having working ranch at night was tough on the younger kids. Especially those that had other events during the day.	12/11/2013 8:27 AM
2	need microphones for rabbit show; need healthier food;	12/9/2013 7:53 PM
3	Way expensive for the events. \$8 for everyone a little out of control especially for families.	12/8/2013 11:13 PM
4	Someone needs to spend some time and reach other members of the arts community to improve the display. We live in a talented community and it would be fun to showcase that.	12/5/2013 12:36 PM
5	We can't attend because of allergies/medical conditions associated with the proteins, dander, weeds in hay, hair and dust from animals.	12/4/2013 6:57 PM
6	I think the schedule was fine.	11/21/2013 11:43 AM
7	Judge that knows dog and rabbits	11/20/2013 3:35 PM
8	I've gone to the Figure 8 races a few years in a row. The first year, Tony Goe was actively campaigning to attendees with a big, hard-to-miss booth. Then, a few years later it was Kim Keeley campaigning. Can we leave politics out of the fair?	11/20/2013 11:48 AM
9	Overall I feel we have a wonderful fair with alot of variety. However,I do have serious concerns about the safety of fun night. Things often seem out of control and dangerous in the speed events. In some of those events the participants are rewarded for speed even though they did not follow the rules of the contest...like handing off in a specific zone. The rules of the games are in place to increase safety and limit speed. It would be nice to see this issue addressed in some way.	11/20/2013 8:29 AM
10	To many things crammed into just a few days. Hard on kids that are involved in multiple 4-H events. Reall loved Pig Wrestling and liked that it was on a Saturday night	11/19/2013 10:20 AM
11	The Exhibit hall was poor. Pig Wrestling and figure 8 racing are a must.	11/18/2013 7:06 PM
12	Love the split arena. Please have one man announcer and one woman announcer--separated for each arena so there is less confusion for the riders about what gait they are to be at. The announcer is so important, and it's hard for one person to do both arenas. The announcer needs more help upstairs to know when the judge is signaling him/her. What the judge says needs to be followed by all personnel and riders/competitors. To do other than that is insulting to the judge's professionalism. The general public does see and hear comments made by hired staff about judges.	11/18/2013 5:39 PM
13	as a mom of a 4-H participant I find information incredibly difficult to get - what to do with booklets, when activities start, who instructors are, how to sign up, when to sign up. It's like if you didn't grow up doing it it's hard to break into the scene. I also feel like the exhibition hall and events could be better marketed, especially for adults, so that there would be a better display overall.	11/18/2013 2:06 PM
14	Hold a Fair Rodeo on Friday evening. Move the livestock sale to Saturday	11/18/2013 1:29 PM
15	Well done	11/15/2013 10:43 AM
16	I liked the compressed schedule. When the schedule drags out families start picking and choosing the activities to participate in.	11/15/2013 8:34 AM
17	I heard the Ranch Roping was slow and boring. Mounted Shooting- Didn't know what was going on and event went to long. 4-H Working Ranch-Liked it at night 4-H Livestock Show-Need to move bleachers out of the beef show ring for safety reasons. 4-H Appreciation Dinner- Didn't like food Exhibit Hall - Needs to be opened later and on Saturday. Figure 8 Race- Could not hear announcer. Pig Wrestling- More seating Thank you for all you do for the 4-H program.	11/14/2013 2:22 PM

18	It would be nice if there were events on Saturday at the livestock pavilion and exhibit hall. The fair schedule is very spread out over the week and therefore seems almost empty on many of the days that are advertised.	11/13/2013 11:18 PM

Q26 Do you have any suggestions to make the 2014 fair better?

Answered: 27 Skipped: 27

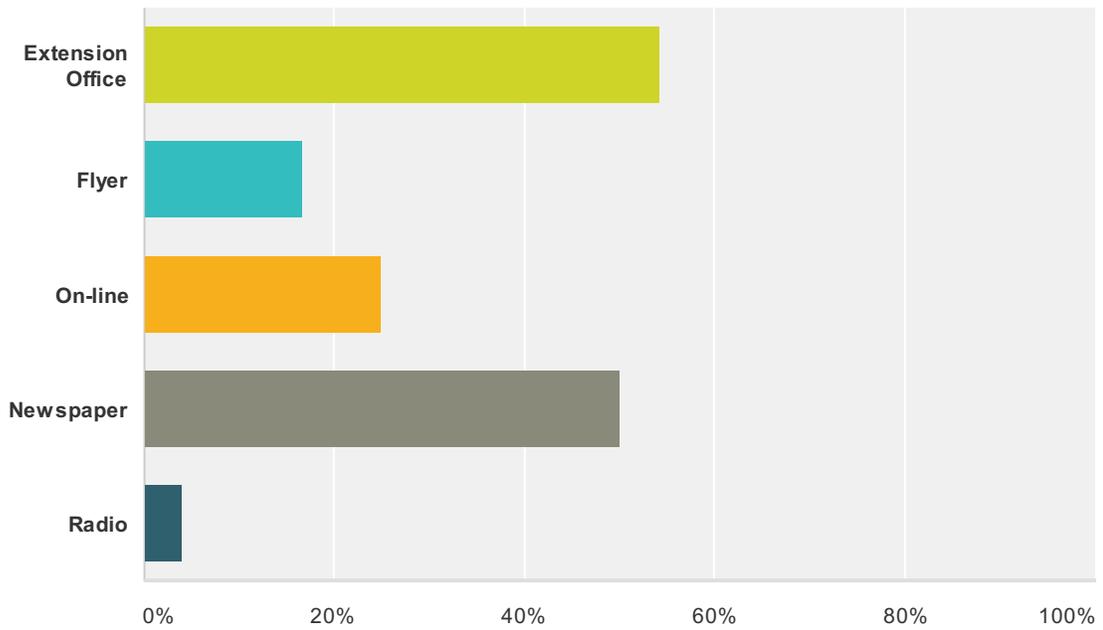

#	Responses	Date
1	The horse show judging could be improved. It would be beneficial if the judges would communicate with participants or leader about their score and what they need to improve - otherwise, they have no idea what they did wrong.	12/11/2013 8:27 AM
2	could a community service project be incorporated into the fair? You do a lot at the fair and it's a great experience for kids and the community, thanks for all your efforts.	12/10/2013 4:44 PM
3	See above; make fair include community; add children's activities for fair goers; improve exhibit hall participation and display; make fair more fun for attendees; make fairgrounds more attractive with landscaping; more food booths;	12/9/2013 7:53 PM
4	Lower gate fees	12/8/2013 11:13 PM
5	We love the figure 8 races but they have to be set up to go longer with more heats. Get more racers and entertain the crowd.	12/5/2013 12:36 PM
6	Have more exhibits in exhibit hall.	12/5/2013 7:16 AM
7	More events on the weekend would be nice. Also accept open exhibits in the evening, and not just during the day, so those working in Jackson can participate. Would be nice to have an open horse show for the community or penning / sorting events.	12/4/2013 9:48 PM
8	I do hand piecing and sewing quilts but cannot show them. I also do canning, baking, candies and a fruitcake from dried fruits and cannot share with anyone.	12/4/2013 6:57 PM
9	More activities to bring more people in! Maybe a classic car show, games, concerts, pie/food eating contest?	12/4/2013 3:35 PM
10	Somehow engage more of the community. There are a lot of crafters, bakers, etc. who either don't know about the Fair and/or when it is or it doesn't feel welcoming	11/24/2013 9:25 PM
11	Food vendors, more activities for those not involved in 4h, carnival or games,	11/22/2013 8:21 PM
12	Fair food! Team penning event for adults. Rodeo during fair week	11/21/2013 11:43 AM
13	I'm not a huge fan of the pig wrestling. In my opinion, the pig wrestling pics that always get printed in the newspaper every summer reflect poorly on our community to visitors. This is because the pigs always look like they are shrieking and utterly terrified. Like this: http://www.tetonvalleynews.net/pig-wrestling/image_402e9db8-fdfe-11e2-9693-0019bb2963f4.html We all know pigs are highly intelligent - which makes this game seem particularly mean. I realize it's a popular event, but still, it's glorified animal harassment - all in the name of "fun." And I don't see it's connection to animal husbandry, like the rodeo events which directly correlate to raising cattle.	11/20/2013 11:48 AM
14	Speed up the archery events. Way too slow...	11/19/2013 10:34 PM
15	invite more organizations to exhibit in the building	11/19/2013 10:48 AM
16	Keep Pig wrestling on a Saturday night. Improve the sound system, and seating at the arena. Maybe spread out 4-H events But keep night events the same. Better advertising for fair and 4-H events.	11/19/2013 10:20 AM
17	Better seating in the outdoor arena. Money for indoor should have been used to enhance the outdoor facility therefore bringing in money to enhance other projects.	11/18/2013 7:06 PM
18	Please keep online information easily found by patrons and updated. Outdated or non existent info isn't good or helpful. We live in an online world. Archery isn't listed above, and I think it could be--- The archery show was GREAT, but VERY long, and I wish there could have been chairs put out and/or more awnings. It got SO hot to sit in the sun on the ground for that many hours.	11/18/2013 5:39 PM
19	More events that adults could participate in - archery, rifle marksmanship ...	11/18/2013 2:06 PM
20	Better marketing of all the events.	11/18/2013 1:29 PM

2013 Teton Valley Fair Survey

21	Get the B.O.C.C. to acknowledge the economic benefit of the FAIR and apply for GRANTS and other source funding to make the improvements necessary to improve the Fair grounds and attract a bigger audience and experience. If half the money spent on bike paths would have been spent at the Fair grounds, summer events and attendance would be off the chart.	11/15/2013 12:19 PM
22	possible food choices more community involvement	11/15/2013 10:43 AM
23	Keep the fair about youth. When in doubt error on the side of the kids. The evening events are great. Horse Pulls, Pig Wrestling, Ranch Rodeo, Figure 8 races, Livestock Sale & Dinner. All the evening activities bring more community interest.	11/15/2013 8:34 AM
24	Fair book should have entry forms and rules in it. Fair book needs to be out by 2nd week of July. Maybe have the pet show later in the evening or on Saturday with prizes.	11/14/2013 2:22 PM
25	attempt to draw more of the public by advertising ahead of time.	11/14/2013 1:15 PM
26	More entertainment. Isn't there enough talent and groups around here that could perform in the area by the exhibit hall to get more people attending.	11/14/2013 1:08 PM
27	Condense the events to 3-4 fun filled days. Get food vendors, host a petting zoo, have kids crafts, have an information booth. Require 4-H clubs to have more participation. Get more dumpsters during fair week.	11/13/2013 11:18 PM
