Teton County Administrative Policies have been adopted by the Board* in order to standardize and simplify County administrative tasks by providing clear, written guidelines. The Policies are also intended to increase citizen confidence in County government and prevent the misuse of public resources and funds. Elected Officials may adopt further policies and procedures to meet the unique needs of the departments they administer, provided the additional policies do not conflict with the Teton County Administrative Policies or the Teton County Personnel Policy. Each policy listed below is a discreet document that may be changed independently of any other policy.

**The term "Board" is used throughout these policies to refer to the Board of County Commissioners.*
