**Section 4. Public Improvements.** N/A The Developer shall maintain all public facilities, improvements, and open space (if applicable) for the Development according to Teton County standards and any standards separately adopted by the agencies responsible for providing services to the Development, until such time as the responsibility for maintenance of the public improvements and open space is turned over to the Homeowner's Association for the Development. This transfer of maintenance responsibility shall occur when 50% of the lots or units have been sold. The Homeowner's Association shall collect dues, a portion of which will be used for maintenance of the public improvements and open space. The Developer shall notify the planning department in writing when the Homeowners Association is established and when the transfer of maintenance responsibility has occurred. A mailing address for future notifications shall also be provided.

**Section 5. Off-Site Improvements.** No off-site improvements are contemplated in association with Celebration Acres Subdivision.

**Section 6. Building Permits.** No lots or units may be offered for sale or sold (warranty deeds transferred) prior to recordation of the final plat.

The Developer shall pay the fee associated with the request. Developer acknowledges and agrees that the Board of County Commissioners has the sole discretion to grant or deny a request for extension. The application for a development agreement extension must be submitted to the Planning Department before the expiration of the original development agreement.

**Section 11. Construction Dates.** The developer will commence construction once an approved building permit is applied for. Since it is a two-lot subdivision, no fire ponds or improvement plans are required so there is no need for a schedule of the completion of improvements.

This means that trash, weeds, dust, erosion, and sedimentation control on the Property will be fully the responsibility of the current owner of the Property.

**Section 18. As Constructed Plans.** N/A
