To Whom it may concern:

Fall River Rural Electric Cooperative provides electrical service in Teton County, Idaho and is providing service to new members of the Cooperative who sign a legal easement and pay the appropriate fees for a new connection. In regard to Mr. Condie's property at 2300 S. 5415 W. in Driggs, Mr. Condie has been working with Fall River Rural Electric Cooperative to bring electrical services to that property and we are in the process of doing so.
