WHEREAS, the County has the authority to enter into a Development Agreement for the construction of required Improvements associated with the Development.

NOW THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

**Section 1. Definitions.**

- 1.1 **DEVELOPMENT:** The subject of this Agreement, which is designated and identified as **FARM TO MARKET FIELDS SUBDIVISION**, located on the Property described in Exhibit A in the jurisdiction of Teton County, Idaho. Such Improvements shall be constructed so that each phase is “stand alone” in terms of providing Improvements to the lots and units in that phase. Developers agrees that such Improvements shall be installed in compliance with Teton County’s Title 9 and any design and engineering standards separately adopted by the County or other agencies responsible for providing services to the Development. The FARM TO MARKET FIELDS SUBDIVISION’S engineer’s estimated cost to complete all Improvements is \$0.00 because road construction and electrical installation have been completed.

Furthermore, the County reserves the right, in its absolute discretion, to revoke the Developer’s entitlements for the FARM TO MARKET FIELDS SUBDIVISION and after such revocation, if Developer chooses to move forward, Developer will have to reapply for approval under the then current County ordinances. Teton County may impose penalties on the Developer in the form of monetary fines, not to exceed the outstanding balance of work not performed or carried out at the scheduled completion date or not to exceed the work to correct the defect or deficiency. The County may withhold the issuance of any building permit or certificate of occupancy for any structure located in the Development, refuse to accept ownership and maintenance of any County Improvements and record a notice of such action in the Teton County Clerk and Recorder’s Office, or issue a “stop work” or “cease and desist” order for any building or Improvement under construction in the Development.
