

# Digging Deeper: Growing Your Idaho Market Garden

5 **Thursday** Class Sessions Live on Zoom

**January 13 to February 10, 2022**

5:30-7:30pm PST / 6:30-8:30pm MST

**Cost:** \$100 | \$85 early registration (before January 1<sup>st</sup>)

## Are you ready to “dig deeper?”

This course is for growers who want to take their market garden crop production and planning to the next level.

### The course includes:

- Five weeks of interactive Zoom class meetings
- 10 hours of presentations, discussions and Q&A
- University educators and Idaho farmers instructors with extensive backgrounds in market garden production
- Topics covering farm profitability, growing conditions, irrigation choices, production planning and strategies for harvesting systems
- Resource library of recommended readings, videos, activities, planning templates and more
