

Agricultural Exempt Building Permit Application

This form should only be used for structures built on property where the primary land use is a bona fide agricultural operation; it may not be used for structures with any habitable area. Structures must be used for Agricultural related storage uses only such as barns, hay sheds, farm equipment sheds, etc. Fill out each section completely with all required information and submit with required accompanying documentation. Any application deemed to be incomplete will be returned.

Applicant(s) Signature: Under penalty of perjury, I hereby certify that I have read this application and state that the information herein, and that any information which may be hereafter given by me in connection with this application, is truthful and correct. By signing, I certify that the structure permitted by this process will **not** be for human habitation. I understand that I will be required to pay additional building permit fees if it is determined the building permit issued is not in conformance with the Agricultural Exemption intent as described under state law. (Idaho State Statute Title 22 Chapter 45) I agree to comply with all County regulations and State Laws relating to the subject matters of this application.
