**VOTE BOTH SIDES**

**NONPARTISAN BALLOT**

**TETON SCHOOL DISTRICT NO. 401**

**SEVENTH JUDICIAL DISTRICT COURT  
MAGISTRATE**

**TETON SCHOOL DISTRICT 401  
SUPPLEMENTAL LEVY**

Shall Magistrate Jason David Walker of Teton County of the Seventh Judicial District be retained in office?

Shall the Board of Trustees of School District No. 401, Teton County, Idaho, be authorized and empowered to levy a supplemental levy, as permitted by law in Section 33-802(3), Idaho Code in the amount of three million, one hundred thousand dollars

- YES
- NO

(\$3,100,000) each year for two years for the purpose of paying all lawful expenses of maintaining and operating the schools of the District for the fiscal years beginning July 1, 2021 and ending June 30, 2023?

**IDAHO CONSTITUTIONAL  
AMENDMENT**

**IN FAVOR OF authorizing the levy in the amount of \$3,100,000 per year for two (2) years.**

**HJR4**

**AGAINST authorizing the levy in the amount of \$3,100,000 per year for two (2) years.**

Shall Section 2, Article III, of the Constitution of the State of Idaho be amended to require that the Senate shall consist of thirty-five members; and shall Section 4, Article III, of the Constitution of the State of Idaho be amended to require that the Legislature shall be apportioned to thirty-five legislative districts?

The estimated average annual cost to the taxpayer on the proposed levy is a tax of \$144.74 per \$100,000 of taxable assessed value, per year, for two years, based on current conditions. Currently, the District collects an annual supplemental levy authorized in the same amount of \$3,100,000, which will expire when the proposed levy goes into effect, so the proposed levy will not change the tax per \$100,000 of taxable assessed value based on current conditions.

- YES
- NO

**Legislative Council's Statement of Meaning, Purpose, and Results to Be Accomplished**

- YES
- NO

The purpose of the proposed amendment is to permanently set the number of senators in the Idaho Legislature, as well as the number of legislative districts in Idaho, at 35. (There are twice as many representatives as senators, which this amendment would not change.) Since 1992, there have been 35 districts and senators, but the Idaho Constitution permits as few as 30 and as many as 35 districts and senators, with the number determined during redistricting (the process of redrawing legislative district boundaries after a United States census). If this amendment is adopted, the number of districts and senators would be fixed at 35 and could not be changed during redistricting.
