We will investigate for past sexual offenses and violent crimes, or crimes that would have a direct bearing on your service.

This background check will entail our search of the National Sex Offenders Registry and state database search as well as an FBI criminal history check, which will require your being fingerprinted at an approved location.

You will not be permitted to serve or work with children, individuals with disabilities, or individuals over 60 years of age, until all checks are completed and you have been cleared to serve. The review process is lengthy, and normally completed in approximately 3- 4 weeks.
