Meeting was called to order @ 3:30pm.

Review/Acceptance of 1-3-2017 Minutes: The minutes were reviewed and accepted as presented.

Old Business:

- A. Project Status Board no update.

New Business:

- A. Earthquake Presentation by Robert Clayton, PHD, Idaho Geology Dept., Professor of Geophysics, Brigham Young University.
- B. Group Spring Training Exercise was discussed entitled "Event Security Planning for Public Safety Professionals" (April 13 & 14, 2017) in Rexburg. EM will prepare a list of individuals who may want to attend.
- C. Continuity of Operations Plan (COOP) was discussed and the need for the cities, hospital, and school district to identify and provide EM with the personnel, facilities, and priority of functions.
- D. The Teton County Critical Infrastructure List was pass-out for agencies input on structures that may not be included on the list.

Agency Reports: The only agency report updates were as follows:

Sheriff: Patrol and Dispatch positions are open for recruitment. Sheriff department has revised various policies.

City of Teton: Announced drilling a new well for water supply.

Teton County Fire Protection District: Annual commercial inspections have been made. New summer training is up-coming.

SAR: Annual fundraiser event was successful. New water rescue boat has been acquired.

Red Cross: Announced a booth at the Tin-Cup Run Event and willing to distribute fire alarms and pamphlets on earthquakes at this event.

Public Health: Announced and handed out “Major Event Planning Guide for Environmental Health.” The Guide addressed permits relating to Sanitation/Sewage, Drinking Water, Solid Waste, Food, and included contact information on Environmental Health staff.

Teton County School District: First Delayed start of school was today. The notification to parents, students, and staff was made on social media.

Event County Planner: Announced the next Total Solar Eclipse Community Meeting will be held on March 14, 6-8pm Wildwood Room in Victor.

Meeting Adjourned.

Next Meeting: April 4, 2017
